Dear Mr. Schmeltzer:

Re: Proposed Approach Application

At the regular council meeting of Big Arm, No. 251 held on October 16, 2023, council reviewed your application for an approach onto SE 20-26-24 W2.

The property in question is owned by Sask Parks and while we attempted to contact them to acquire their agreeance with this application no one responded. Please provide us with written confirmation that the landowner is in agreeance with this application. Further, council requests additional information from yourself regarding the specific purpose/use for the access (i.e. public, private or restricted personnel only access), what volume and type of traffic is anticipated at this location. Please be aware that unlicensed motorized means of transportation are not allowed to travel on municipal roadways (agricultural equipment being exempt under provincial legislation).

Council will review this application, along with any additional information provided, at their next council meeting scheduled to be held on Monday, November 13, 2023. If you have any further, questions or concerns, please contact this office.

Sincerely,

Yvonne (Bonny) Goodsman, RMA, PBA
Chief Administrative Officer
